## Product highlights

***RealFlat™ picture tube***
*Undistorted and reflection-free picture for maximum viewing comfort.*

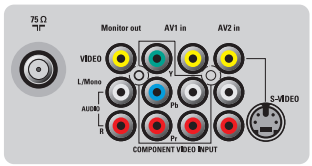
***Component Video inputs***
*The best possible input for high resolution sources such as DVD, STB and game consoles for superb color purity, detail and reduced color noise, surpassing even S-Video.*

***S-Video input***
*The ideal way to connect high resolution picture sources like DVD, Digital Satellite & Cable TV and video games consoles for even better detail than standard video inputs.*

***Side stereo AV + Headphone jacks***
*Connecting digital cameras and video games is quick and easy. You can enjoy your favorite program or game in great stereo sound without disturbing others by connecting your headphones (optional) to the handy side jack.*

***IncredibleSurround™***
*Widens and deepens the soundstage for more immersing home entertainment experience.*

Side AV + Headphone



Rear AV Input/Outputs
